

E. Martin Davidoff

Attorney at Law

Our Vision

We create peace of mind for our clients by

- Providing excellent service in a compassionate, professional, reliable manner, with a sense of urgency;
- Going to great lengths, within the client's budget, to get the best possible outcome;
- Being innovative in creating solutions to our clients' tax controversy problems; and
- Clearly, candidly, and timely communicating with each of our clients the progress of the work we are performing for them,

all the while using our resources to further excellence in our areas of expertise and to bring common sense to tax policy and tax administration.
